## *inspirations for a vintage bathroom*

Attribuire al bagno un'identità che lo ricollegli ad un altro periodo storico è possibile con particolari originali, anche in contesti di recente realizzazione.

Ogni singolo dettaglio è capace di trasportare un ambiente indietro nel tempo, assegnandogli una nostalgica nota d'antan, una magia che si compie anche in bagno. Definitivamente svincolato dalla natura di spazi di servizio, un bagno vintage contribuisce al layout globale di una casa.

## *inspirations for a vintage bathroom*

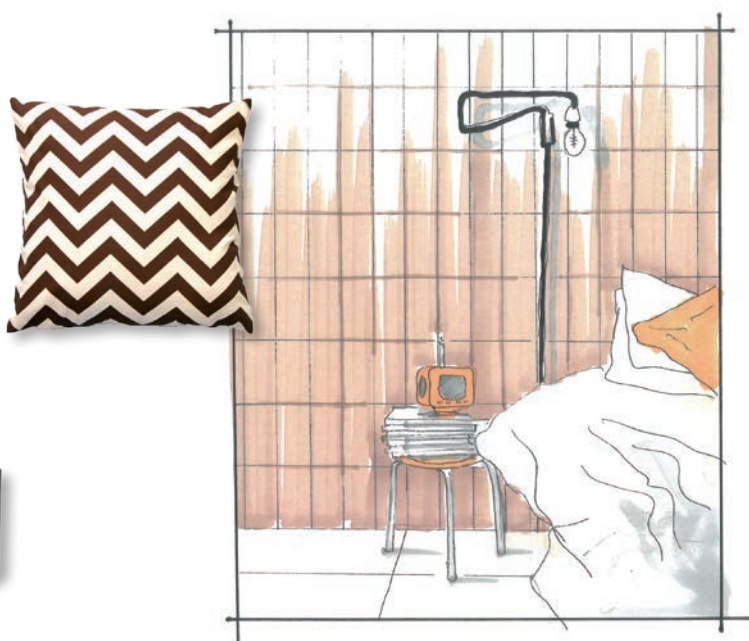

Giving the bathroom an identity linking it to another historical period is possible through original details, even in recently built settings.

Each individual detail can take an environment back in time, lending it a touch of nostalgia for times past, a magic that also extends to the bathroom. Definitively freed from the nature of a functional space, a vintage bathroom contributes to the global layout of a home.
