10:30

The image displays the time '10:30' in a large, white, sans-serif font against a solid grey background. The two '0' digits are stylized to resemble clock faces. Each '0' contains a white outline of a clock dial with two hands: a shorter hour hand and a longer minute hand. In the first '0', the hour hand points to the 10 o'clock position and the minute hand points to the 12 o'clock position. In the second '0', the hour hand points to the 2 o'clock position and the minute hand points to the 12 o'clock position. The colon between the digits consists of two small white circles stacked vertically.

10:10

The image features the text "10:10" in a clean, white, sans-serif font against a solid gray background. The two zeros are stylized to contain clock faces. Each clock face is a white circle with a white border, and inside, there are two white hands: a shorter hour hand and a longer minute hand. The hands in both clock faces are positioned to indicate the time 10:10. The colon between the two zeros consists of two small white circles stacked vertically.
