

LIPIZA

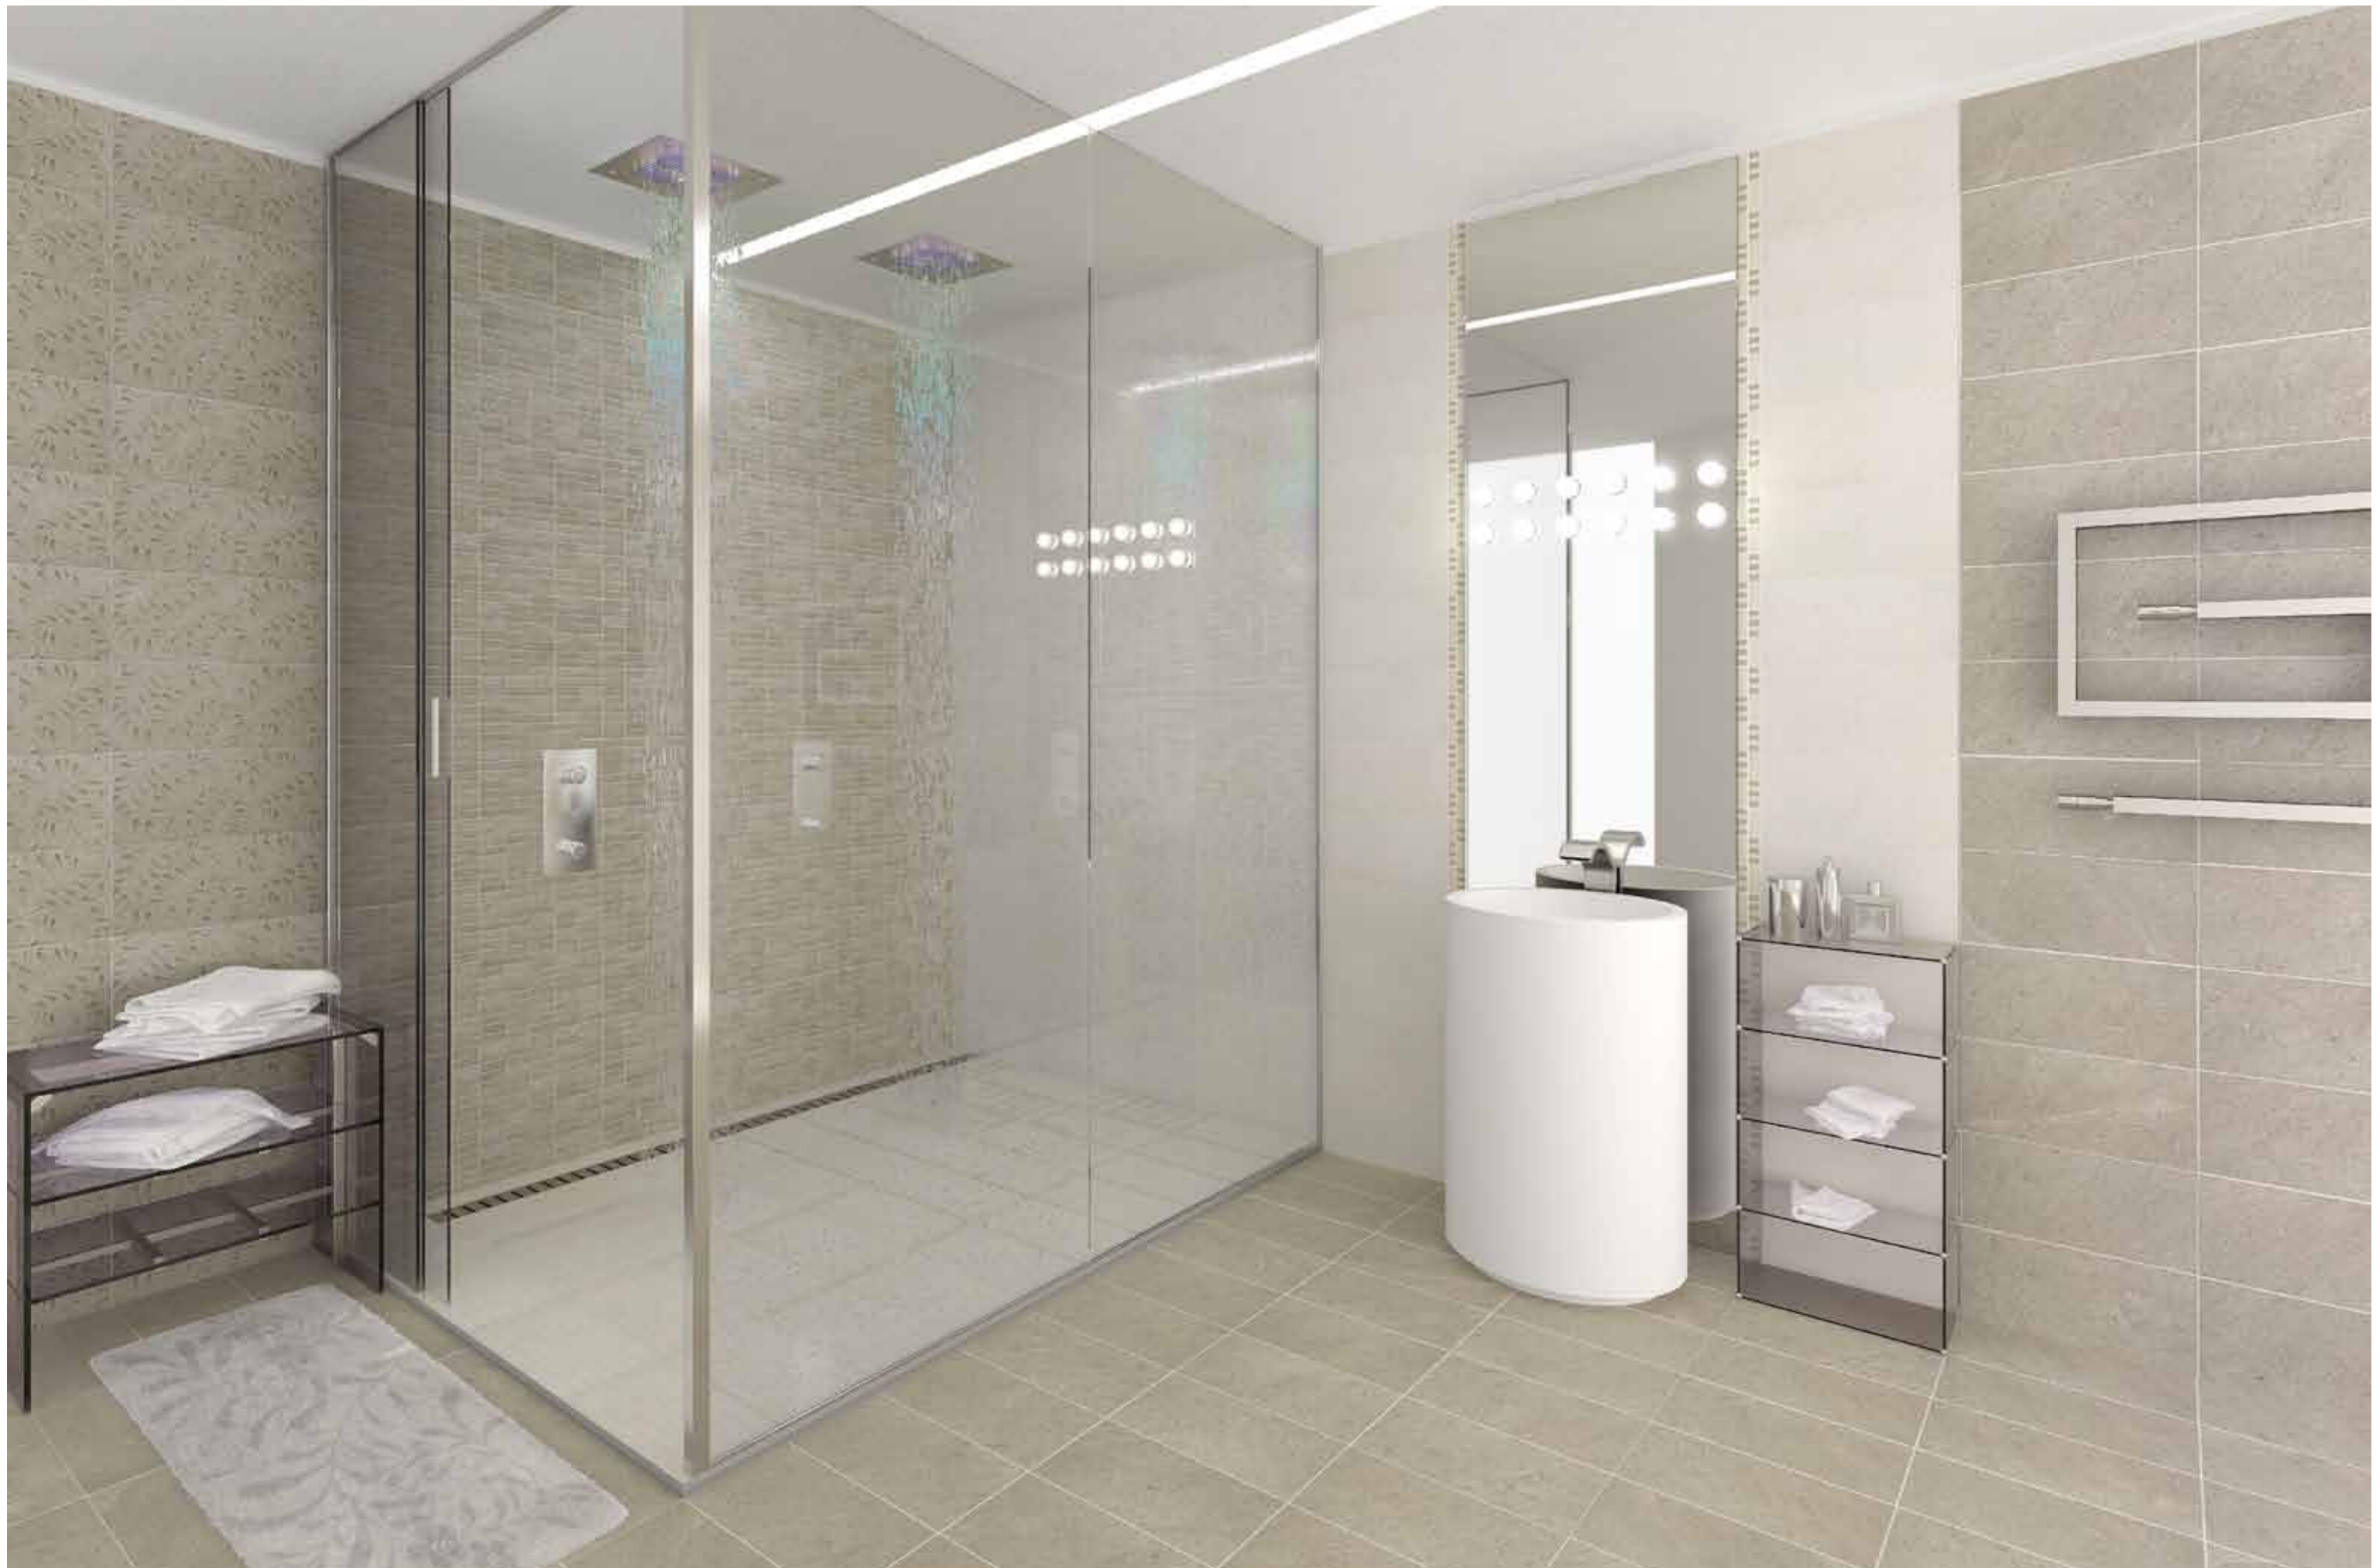

LIPIZA / DIGITAL TECHNOLOGY

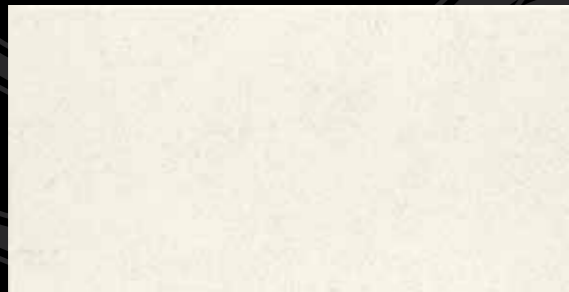

DESIGN: CERAMICA FAETANO

In Lipiza alta tecnologia e fascino s'incontrano per dare vita ad un mix unico di sfumature e suggestioni. I volumi e la leggerezza dei decori, le finiture satiniate tono su tono impreziosiscono i luoghi del nostro tempo.

With Lipiza high tech meets charm to give life to a unique mix of nuances and reminiscences. The substance and delicacy of the decors, and the tone on tone satin finishes enhance the value of our living spaces.
