

INCIPIIT

Ricreare l'eleganza delle lavorazioni tessili con trame inedite e mélange di texture: è la scommessa della nuova collezione Incipit per Valentino by Ceramiche Piemme.

Grazie a particolari smalti e alla precisione della decorazione digitale di ultima generazione, le superfici ceramiche ricreano l'effetto delicato del lino, sete arabescate e perfino le maglie metalliche dei tessuti contemporanei.

To re-create the elegance of textiles with original patterns and texture mélange: this is the wager of the new Incipit collection for Valentino by Ceramiche Piemme. Thanks to special glazes and the precision of the latest-generation digital decoration, the ceramic surfaces re-create the delicate effect of linen, arabesque silks, and even the metal meshes of contemporary fabrics.

Die Eleganz textiler Erzeugnisse mit neuen Mustern und Strukturmixen nachempfunden: Das ist die Ambition der neuen Kollektion Incipit für Valentino by Ceramiche Piemme. Mit besonderen Glasuren und hochpräziser Digitaldekoration der jüngsten Generation erzeugen die keramischen Oberflächen die filigrane Optik von Leinen, Rankenseide und sogar jene metallischer Maschen aktueller Gewebe.

Recréer l'élégance des façonnages textiles à travers des trames et des mix inédits de tissus est le pari de la nouvelle collection Incipit de Valentino by Ceramiche Piemme. Grâce à des émaux spéciaux et à la précision de la décoration numérique dernière génération, la surface du carreau recrée l'effet délicat du lin, de la soie arabesque et même celui des mailles métalliques des tissus modernes.
