

ARUBA

Inspired by the traditional colonial flooring found in the islands of the Antilles, ARUBA is a porcelain tile collection made up of seven 22.3cm models, evocative of vintage cement tiles. In addition to classic greys and blacks, it introduces new shades of dark red, mustard, green and blue, with floral and ornamental motifs that can be combined to create continuous designs.

Inspirada en los pavimentos tradicionales de la isla colonial de las antillas, la colección ARUBA presenta en formato 22,3x22,3 cm siete referencias. De inspiración hidráulica, esta colección introduce las tonalidades granates, mostaza, verde y azul junto con los clásicos grises y negros. Porcelánico decorado con motivos florales y ornamentales en continuidad.
