

MARMI REALI

La bellezza e la ricercatezza dei marmi più pregiati abbinata ad un gres porcellanato di elevata qualità. Le infinite variazioni del marmo rivivono in un materiale dalla grande profondità materica, grazie anche al processo di lucidatura che rende ogni lastra semplicemente perfetta.

The beauty and elegance of top-quality marbles combined with outstanding porcelain stoneware.

The endless variations of marble relive in a material full of profound substance thanks among other things to the polishing process which makes every slab simply perfect.

Die Schönheit und Noblesse edelster Marmorarten vereint mit einem Feinsteinzeug von hoher Qualität.

Unendliche Marmorvariationen leben in einem Material von großer plastischer Tiefe wieder auf. Dafür sorgt auch der Schleifprozess, der jede Platte einfach perfekt macht.

La beauté et le raffinement des marbres les plus prestigieux coordonnés à un grès cérame de grande qualité.

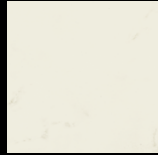

Les variations infinies du marbre revivent dans ce matériau où l'aspect "matière" acquiert une grande profondeur grâce au procédé de polissage transformant chaque dalle en un modèle de perfection.
