SUNSET evokes typical Mediterranean twilight evenings, with the blue sea, the gold sand, the white foam of the sea's waves and the characteristic greens of the trees.

The porcelain tile collection features a total of 6 models in a 6x25 format, in a choice of green, mustard, petrol to sage, sand and white, perfect for use both indoors and out.

**SUNSET nos traslada a los atardeceres típicos mediterráneos: los azules del mar, el dorado de la arena, el blanco de la espuma de las olas o los verdes característicos de sus árboles.**

**Colección de aspecto artesanal que destaca por la gran variedad de gráficas, efecto vidriado y volumen irregular de sus piezas generado por la granilla brillo. Con tonalidades como green, mustard, petrol, sage, sand y white se presenta en porcelánico con un formato de 6x25 cm.**
