LAKESTONE

UNIQUE SURFACES

LAKESTONE, as its name indicates, is inspired by the stones found in lakes. This collection emulates an eye-catching sandstone, with a varying grainy appearance and colour. Its varying design brings a sense of movement to surfaces, combined with a neutral-coloured warmth synonymous with the natural world.

The tiles come in an All in One or Polished finish in a choice of three colours —Cloud, Oat and Dolphin— and wide assortment of formats: 75,5x151cm, 60x120cm, 90x90cm, 60x60cm, plus a 33x100cm wall tile model in a Natural finish.

LAKESTONE, como su nombre indica, está inspirada en las piedras que se obtienen en los lagos. Esta colección se caracteriza por ser una preciosa arenisca de grano variado en tamaño y color. Su gran diversidad gráfica aporta movimiento en conjunto, y una calidez neutra muy propia de la naturaleza.

Disponible en acabado All in One o Polished. En tres colores —Cloud, Oat y Dolphin— y con una gran variedad de formatos: 75,5x151cm, 60x120cm, 90x90cm, 60x60cm, y un revestimiento de 33x100cm en acabado Natural.
