— AGATE

Ethical Luxury is a growing trend in recent years, which aims to unify luxury and sustainability. Our Agate collection is a clear example of how to put this trend into practice through graphics that reproduce a semi-precious stone and mimic the nature.

Agate highlights the material qualities of natural minerals, with graphics that, at the same time, blur the boundaries between the physical and the digital.

El 'Ethical Luxury' es una tendencia creciente en los últimos años, que pretende unificar lujo y sostenibilidad. Nuestra colección Agate es un claro ejemplo de cómo poner en práctica esta corriente mediante gráficas que reproducen una piedra semipreciosa e imitan la naturaleza.

Agate resalta las cualidades matéricas de los minerales naturales y, al mismo tiempo, desdibuja los límites entre lo físico y lo digital.
