KORE, personalidad salvaje y brillos particulares

Con personalidad salvaje, la serie Kore se inspira en las texturas naturales de las selvas, océanos y montañas.

Cuenta con cuatro colores: Dark, Pearl, Ocean y Emerald, una paleta armónica y con mucha personalidad.

Además, cada color cuenta con un decorado con motivos florales (inspirado en la vegetación de las densas selvas tropicales) creados a partir de granillas metálicas.

Cuenta también con el modelo Kore Chips, un terrazo elegante y fresco, pensado para combinar con todos los colores de la serie. Contiene piedras metálicas para darle luz y brillo a su acabado superficial.
