Fanciful flight in the wind

Colorker®

Invisible and soft,
everything flows
with it.

In its wake,
leaves dance,
reeds whisper
and the sea rolls.

Thoughts take off
on a fanciful flight in the wind,
all you have to do is let yourself go.

Avec lui,
invisible et doux,
Tout coule.

A son passage,
dansent les feuilles,
murmurent les joncs,
La mer se berce.

Les pensées s'envolent avec le vent
un voyage dans les nuages
Il n'y a qu'une chose à faire : se laisser aller.

Mit dem Wind,
unsichtbar und weich,
fließt alles.

Bei Windschritt,
tanzen die Blätter,
flüstern die Stämme der Bäume,
schaukelt das Meer.

Mit dem Wind fliegen die Gedanken,
eine Reise in den Wind,
man muss nur Mitgehen.

EDDA

UN VIAJE EN EL VIENTO

Con él,
invisible y suave,
todo fluye.

A su paso
bailan las hojas,
susurran los juncos,
se mece el mar.

Con el viento vuela el pensamiento
un viaje en el viento
Tan sólo hay que dejarse llevar.

The background of the entire image is a dark blue gradient. It is filled with several sets of concentric, circular ripples that resemble water droplets hitting a surface. The ripples are most prominent in the center and bottom-left, with smaller ones in the top-left. The lighting creates highlights and shadows on the ripples, giving them a three-dimensional appearance.

A black and white photograph of a young child with curly hair, seen in profile from the side, blowing a dandelion seed head. The child is wearing a light-colored, possibly white, dress with a ruffled collar. The background is a soft, out-of-focus natural setting, likely a field or garden. The overall mood is serene and contemplative.
