FALL/WINTER 2023

NOBLE STONE

Un'interpretazione delle formazioni di origine calcarea più belle mai viste al mondo, la matericità e i particolari colori della natura come il bianco caldo delle scogliere di Dover, l'avorio intenso delle terrazze di Calcarea di Pamukkale in Turchia, le formazioni calcaree rupestri nelle caverne di Luray in Virginia.

Il grés porcellanato restituisce una **matericità espressiva sorprendente**: morbida al tatto, dal colore uniforme e dai particolari rilievi.

Cinque colori vibranti, una vasta gamma di formati, dalla grande lastra 120x280 cm al piccolo formato 30x60 cm, e una **ricca proposta di decorazioni** che presentano inserti di altre serie **LA FABBRICA AVA**.

Infine, la grande innovazione del 2023, la finitura **3D Satin**, nel formato **60x120 cm**, un particolare effetto "soft touch" della superficie arricchito da venature incise a **bassorilievo**.

Noble Stone, un vero proprio gioiello di collezione, dona ai progetti di design un tocco di raffinata eleganza ed esclusività.

An interpretation of some of the most exquisite limestone formations the world has ever seen, capturing the texture and nuanced colors found in nature, such as the warm white of the Dover cliffs, the intense ivory of the Pamukkale Limestone Terraces in Turkey, and the rugged limestone formations within the caves of Luray in Virginia.

Porcelain stoneware returns an **astonishingly expressive texture**: soft to the touch, with a uniform color and intricate reliefs.

With **five vibrant colors** to choose from and a wide range of sizes, from the large 120x280 cm slab to the small 30x60 cm size, as well as a **rich selection of decorations** featuring inserts from other **LA FABBRICA AVA** series.

Finally, 2023 big innovation, the **3D Satin finish**, in the 60x120 cm size, a unique "soft-touch" effect on the surface enriched with veins engraved in **bas-relief**.

Noble Stone, a true gem of collection, adds a touch of refined elegance and exclusivity to design projects.

**NOVITÀ
2023**

3D SATIN

La grafica si arricchisce grazie alla **nuova tecnologia 3D Satin**.

Le lastre si vestono di un particolare **effetto "soft touch"**, una finitura satinata che evoca la superficie di una **pietra levigata e consumata dal tempo**, con **venature finemente incise** che richiamano la maestria di un **bassorilievo** antico. Un **richiamo alla bell'Italia**, al suo patrimonio artistico, fatto di **decorazioni e architetture preziose**, custodi di una storia millenaria.

Regala uno spazio sospeso tra passato, presente e futuro, intonando una nuova contemporaneità.

Disponibile nelle serie **NOBLE STONE** e **BOLGHERI STONE**.

The graphic is enhanced thanks to the **new 3D Satin technology**.

The slabs take on a special **"soft-touch" effect**, a satin finish that evokes the surface of a **smooth stone weathered by time**, with finely **engraved veins reminiscent** of the craftsmanship of an ancient **bas-relief**. A **tribute to the beautiful Italy**, to its artistic heritage, made of **precious decorations and architecture**, guardian of a millennia-old history.

It offers a space suspended between past, present and future, bringing in a new sense of contemporaneity.

Available in the **NOBLE STONE** and **BOLGHERI STONE** series.
